

STATE OF WASHINGTON
Washington State Department of Transportation
SOLE SOURCE POSTING

The Washington State Department of Transportation contemplates awarding a sole source procurement to Vartech Systems, Inc. to provide quantity 4, 46" Monitors, part number VT461WL-MM with SD Card reader.

These monitors are being chosen because they are compatible with existing traveler information kiosk equipment (panel PC's) and contain the WSDOT required SD Card reader necessary for the dissemination of ongoing traveler information.

The purchase order/contract will be issued on or about April 7, 2014. The dollar value is estimated at \$20,000.

Offerors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state's requirements no later than 4:00 PM Monday March 24, 2014. The following information should be included in the capability statements:

- Name of Company
- Contact Name, phone number, email address
- A written technical description of how company product meets or exceeds the Vartech Systems, Inc. part number VT461WL.
- Electronic copy of manufacturers specification sheet of proposed product (.pdf format preferred).
- A written description of how proposed monitors are compatible with existing traveler information kiosk equipment/panel PC's (Vartech part number VTPC150PHB)

In the absence of other qualified sources, it is the state's intent to make a sole source award of the contract.
